

World Affairs Council of Pittsburgh

Women Leaders Making Their Mark

Join us on March 14 for a special panel discussion in celebration of International Women's Day. Featured panelists include:

Audrey Russo

President & CEO

Pittsburgh Technology Council

Lourdes Sanchez Ridge

Solicitor & Chief Legal Officer

City of Pittsburgh

Prajna Paramita Parasher

Program Director

Film and Digital Technology
Chatham University

How does improved access to education strengthen the voice of women in local, national, and global politics?

In what ways is the traditional concept of work changing for women around the world?

What role do women play in making Pittsburgh a more internationally-aware metro area?

With special thanks to our partners:

eliminating racism
empowering women
