

Young Professionals Happy Hour

An event organized by the World Affairs Council of Pittsburgh and GlobalPittsburgh

Don't miss an evening of networking and socializing as we partner with GlobalPittsburgh for a First Thursdays Happy Hour at Roland's Seafood Grill. GlobalPittsburgh First Thursdays are a regular monthly event bringing together globally-minded people from Pittsburgh and beyond, to enjoy interesting conversation and good company.

This event will feature members of the Mandela Washington Fellowship for Young African Leaders, the flagship program of President Obama's Young African Leaders Initiative (YALI). The group of 25 emerging professionals from Sub-Saharan Africa is currently taking part in a six-week Academic and Civic Leadership Institute through Duquesne University. This program works to build connections with future African leaders while introducing them to all that the university and the city of Pittsburgh have to offer.
