GLOBAL LEADERSHIP CERTIFICATE
World Affairs Council of Pittsburgh

A world of opportunity awaits. Start discovering it now.

The Global Leadership Certificate is your chance to broaden your understanding about the world while you build your leadership and community engagement skills. You'll get to embrace new opportunities, new possibilities, and new points of view.

YOU'LL NOT ONLY LEARN ABOUT THE WORLD,
BUT START SHAPING YOUR ROLE IN IT.

How the program works:

Meet global experts, be part of a globally-focused online community, and embark on a service-learning project that you design. All at no cost to you or your school!

Our online component is self-directed, and our in-person events are super immersive. You'll do simulations, meet global leaders, and tour innovative organizations. You'll gain a perspective on our region and our world that you might not get anywhere else.

And the service-learning project? It's really up to you. We'll guide you to find a globally-minded project that makes an impact in the region. From global health to refugee resettlement to environmental issues, you decide.

“ For me as a teacher, the World Affairs Council of Pittsburgh is the single greatest regional partner that I have.”
